**Chapter 1 - Death for you**

**2**

## 1 - Death for you

I live in pain,  
I live in fear,  
I live knowing I can't hold you near.  
So I choose to stop it,  
one quick swipe,  
it'll all be over,  
no need for life.  
But its not the end,  
as i sink to the floor,  
I know that i'll love you forever more.  
My blood spills out,  
my soul soon gone,  
I go pale and die,  
You could have been the one.
