I'm over some of my issues, and I'm nearly sorted, I wrote this when I started to think about my life.

Chapter 1 - Free From you

2

1 - Free From you

I once loved you,
but right from the start,
you had no interest,
you had to break my heart.
I spent my days wondering about you,
do you not feel,
you messed up my mind,
make me go round like a wheel.
I joke with my friends,
forget times past,
no longer sit in the dark,
I get over you fast.
My life's almost better,
troubles soon gone,
I take back what I said,
you're not the one.
I won't fret over you,
you never loved me,
me and my friends are happy,
my heart and soul are free.
