**Chapter 1 - Life**

## 1 - Life

If life is just,  
then why is it unfair,  
I'm treated like dirt,  
but nobody cares.  
I laugh with my friends,  
they don't understand,  
they think I'm alright,  
they won't give me a hand.  
One of my friends,  
tries to care,  
but open my heart,  
I do not dare.  
They try to make me laugh,  
cheer me up when I'm low,  
I answer with just one word,  
I back away and say no!

One day my life will be back to the norm,  
I won't have any problems,  
my life no longer torn.  
So I sit and wait,  
but the day doesn't come,  
I reach into my draw,  
I pull out my gun...

I live by the day,  
and die by the night,  
I put my finger on the trigger,  
my heart fills with fright.  
One click, another,  
what shall I do?  
Suddenly my worries are gone,  
my friends kindness shines through.
