Chapter 1 - Searching

2

1 - Searching

There is a poor little girl
Forgotten by the world,
Who wanders,
Looking for a friend.

Left in tears
And full of fear
She searches,
Looking for a friend.

Lost in her mind
And found in time,
She cries out
Looking for a friend.

Cast aside
And left behind,
She approaches the house
Looking for a friend.

An internal scream,
And forgotten dream
She opens the door
Looking for a friend.

All alone
Without a home
She steps inside
Looking for a friend.

A moment to pause,
A long lost cause,
She stops,
Looking for a friend.

A figure at last
A shadow passed,
She steps forward
Looking for a friend.

An encounter unplanned,
A helping hand;

She turns to him,
Looking for a friend.

But still unsure
And insecure
She stands there
Looking for a friend.

A sincere smile
And all the while
She stares back
Looking for a friend.

A gentle kiss
Not known to exist;
She smiles and
Holds his hand

And in the end
She found no friend
But rather,
She found love.
