1 - Your Eyes Are Just A Mirror

Dis is for Destiny's (9127) Bday!!!!

HAPPY BIRTHDAY!!!!!!

Ok, this song was NOT originally written for SasuSaku, but i think the lyrics fit pretty well...And it's Sakura's POV

So, READ AND REVIEW!!!!!!

I look into your eyes
And what do I see?
An image of myself
A reflection of me

Is that all that's there?
Is there nothing more?
Will you ever let the tears fall?
Ever let them pour?

Your eyes are just a mirror
'Cause all I see is me
You won't let me inside
Won't give me the golden key

Do you have a heart?
Do you ever feel?
Do you ever think?
Are you even real?

I wish I could see
Past my reflection
But between your eyes and heart
I make no connection

Your eyes are just a mirror
'Cause all I see is me
You won't let me inside
Won't give me the golden key

Are you just an empty vessel?
Filled to the brim with hate?
You used to be more than that

I guess I'm just too late

I understand your goal
And I understand your past
And I understand your loneliness
Yet, you're going way too fast

Your eyes are just a mirror
'Cause all I see is me
You won't let me inside
Won't give me the golden key

I can help to guide you
Along the path you choose
I can make sure you get there
And make sure you never lose

What is this rejection?
Why do you act this way?
Are you and I that different?
As separate as night and day?

Your eyes are just a mirror
'Cause all I see is me
You won't let me inside
Won't give me the golden key

Let me look past those dark pieces of glass
Let me see inside
There's no reason to run
No reason to go and hide

Just let me see your thoughts
And let me see your soul
So I can detect emotion
And help you reach your goal

Your eyes are just a mirror
'Cause all I see is me
You won't let me inside
Won't give me the golden key

Show me those ghosts
The one's from your tortured past

Or else your stability
Will never, ever last

You just stay locked up
Shy away from everyone
Just keep on ignoring
Until your goal is done

Your eyes are just a mirror
'Cause all I see is me
You won't let me inside
Won't give me the golden key

The key.....to our **DESTINY**

Haha 9127, see how i worked your name in?

This is da short version....the real one is too long.....Plus, I edited some of da lyrics so that it sounded more SasuSaku-ish....

Once again HAPPY BDAY DESTINY!!!! HOPE U LIKED IT!!!!!! ^^
