The first episode in my "H.T.W.N.A series"

I decided to choose Devil May Cry first because the charaters act so serious, its just nice to see them relaxed. Please Enjoy!

((By the way: I don't own Devil May Cry. It all belongs to Capcom.))

How they'd never act: Devil May Cry. Episode 1: Part 1

((Oh by the way...I have inserted myself into this for randomness. Sometimes you need outsiders to jump in 'n' random things up ^-^))

Vergil and Kira (tis me) are sat on the couch eating a plate of cookies, when a scream coming from up stairs disturbs them. Dante rushes downstairs

Dante: Oh my god! Oh my god!!

Kira: Whats wrong? You look like you've seen a ghost or something

Dante: Nooo worse!!!

Vergil+Kira:...? 0.o

Dante: I HAVE.....A SPOT!!! *panicking*

Kira:....A spot? Let me have a look

Dante bends down and show her the spot on his forehead

Vergil:...its...the smallest spot I've ever seen....

Dante: Oh woe! Its ruining my beautiful face! *sobs*

Kira: *puts a dab of toothpaste and a bandaid on Dantes spot* There...

Dante: ^-^ *turns to Vergil* Kira likes me best...

Vergil: Whatever, little brother

Dante: Ha! You know its true

Kira: Oh shut up, both of you. I like you both the same.....but...Dante can be abit stuck up his own arse sometimes.

Dante:...What?!

Kira: the spot thing...and your quote in Dantes Awakening. (DMC3)

Dante: Which was...

Flashback, contains evil spoilers

Arkham tries to control the power of Sparda and turns into the blue blob creature

Dante: Come on, my father wasn't that ugly *looks at self in his strangely shiny sword* Just look at me...

2 - Episode 1: Devil May Cry: Part 2

End Flashback and nasty spoilers

Dante: Its true though....just look at me *strikes a sexy pose*

Kira:....my point exactly....

Vergil: Awww Diss!!

Kira: I like Vergil awittle bit more cos hes got a simple goal...nice hair, no split ends...looks abit like Loz from Advent Children...and he likes cookies....and Dante, I do believe you are a...BROWNIE LOVER!!!

Vergil: *gasp* Traitor

Dante: *laughs* Actually...you're both wrong.....I...am a muffin lover!!!

Vergil+Kira: *Gasp*

Dante: *happily eats muffin*

Vergil: Cookies are better...

Dante: How so?

Vergil: These cookies are fat free ^-^

Dante: *checks muffin packaging* OMG!!! SUGAR FREE!! *spits out and throws away muffin* (Sugar free muffin?)

Kira: Meh, 'Fat Free' is for over caring losers or desperate fat people. But Sugar free is just plain evil...

Vergil:...I look like Loz?

Kira: Yeah. *gets out DMC3 playing manual.* See...the photo of you on the back, your face...

Vergil:...By gods...I do abit!

Dante: *Comes in to see*...I swear your coat was blue...

Vergil:....It was...its now...green...0.o'

Kira:...well...Capcom messed that up. I told them they were using too much light...

Dante: They did a good job on most of it, on the scene were im running down the tower in DMC3, you can hardly see the support wire ^-^
