Chapter 1 - Sad begining

2

1 - Sad begining

I see life then i see death i see life flashing before my eyes.No one will listen to me.Is it to late will i ever feel again?

i wish i new what will happen next. How is when you die?Fate rushing thru my hands.I hear the wind.My friends, are dead

my mom dead,everyone i know.I wish i could change the past.i wish i knew about the future i only wish.My heart still pounding.

*looks at sky*I slowly sleep on the grass.I feel a person touching me.I felt it but for a second,then it disappered.

i only wish i could...change the future and i wish i was forever with the sky.and dead like the leaves i have no feelings i only have

memories.Only deep dark memories thats why i'm who i am,thats why i'm me.thats why i must destroy this life.
