Chapter 1 - crimson pain

2

1 - crimson pain

I watch you cry in the corner
I see you're your tears one after another
You look up and im standing above you
You look at my cause Im the only one who loved you

Through pain and suffer
I was you comfort
You laid on me when you where tired
You turned to me when you where bruised

As I walk away from you
Away from you and all this pain
Because if you I shed no tears
Because of you my time has came
As I walk away from you
Away from you and this pain
My sky is forever claimed
By you antagonizing crimson pain
