1 - chapter 1

A D/S Romance!

One day there was a girl named Sam and she was in love with her best friend Danny. There were two problems that would always be in the way and would never work out. One, Danny was in love with two other girls Paulina and Valerie the other thing is that he might not feel the same way and laugh at her face, or end there friendship and she did not want that to happen.

She was in her room about the biggest disition weather to tell Danny she was in love with him or not tell him and suffer as he loved other girls.

After alot of thinking she knew what she had to do and what ever happens, happens. So she got ready and started walking to Danny's house. She was on the porch of Danny's house "here goes everything" and knoked on the door.

Jazz opened the door "hey Sam if you are looking for Danny he's upstairs in his room" she said "thanks Jazz" Sam said and ran up to Danny's and knocked on the door "who is it" he yelled out from his room "I-It's Sam I need to tell you something important" she said in a nervous voice "come in" Danny said, so Sam went in.

2 - HeartBreak

Sam walked into Danny's room to find him grinning like a maniac "Hey Sam" Danny said "Hi" she said back "Why are you so happy" Sam asked Danny "Because I asked Valeri out" he said. When Sam heard that her heart broke "Why, Why does he have to like Valeri" Sam thought "Yoo hoo earth to Sam you there" Danny was waving his hand in front of her face "Huh oh sorry" Sam replied sadly "Isn't it great that Valeri said yes" Danny asked "huh oh sure, whatever" Sam replied "What's wrong Sam" Danny asked "What's wrong I'll tell you, you so are blind to see that I love you more than Valeri or Paulina ever will that you don't see who you really need me" Sam thought "Nothing you'd understand" Sam said to Danny "Okay..so what did you want to tell me that is so important" He asked "Nothing it's not important anymore" she said. "I have to go now bye" Sam said and ran out of his room then out of his house before anymore could be said.
