1 - confessions and new found love

A Tale Of Two One day Sam was walking in the park, she was thinking hard about something. She did not know if she liked Danny anymore. He did not feel the same way as Sam. She is starting to like someone else now. Who? Her other best friend Tucker. 'I think I will give up on Danny and move on' Sam thought. After thinking for hours she finally came to a conclusion she loves Tucker more than Danny and she was going to tell Tucker this today. She reached Tucker's house and knocked on the door. Tucker's mom opened the door "Why hello Sam" she said "Tucker is upstairs" she finished "Thanks Mrs. Foley" I said then ran up to Tucker's room. I knocked on the door "Who is it" He said "It's Sam" I said stammering "Oh come in" he said and I walked in "Hey Sam what brings you here" He asked "I need to ask you something" I said "Does it involve Danny" he said smirking "Surprisingly no I got over him" I said and this made Tucker fall out of bed in shock "W-What did you say Sam, I swear I heard you say you got over Danny" he said. "I did because he does not feel the same way and I think I like someone else instead" I said Tucker was even more shocked now "Who is the other person you like" Tucker asked still shocked. "You know him more than you think you do" I said "Huh" was all he said "Promise me you will not freak out" I asked him "I swear" he said 'I hope it's me' Tucker thought. He's had a crush on Sam for a long time now but dare not say anything because she liked Danny. "It's you" Sam said after hearing this Tucker was so happy he felt like dancing like an idiot "Really" Tucker asked "Yes" was all I said "Listen you don't have to feel the same way I Ju-mmmffffff" she did not get to finish because Tucker kissed her. She was shocked at first but relaxed and kissed him back. "I like you to but I did not want to say anything because you liked Danny" he said. "Well I like you now" I said then said good bye and kissed him one more time "See you tomorrow" I said "I look forward to it" Tucker said then closed the door when Sam left 'WOOHOOOO' he thought to himself. Sam was just as happy as Tucker was 'well tomorrow will surely be interesting' Sam thought and went home. This is my first fanfic so please tell me what you think.
