East Cost Cosplayer California Dreams

Disclaimer: Big thanks to Belle and Sebastian who's work I just stole.

Want to sing along the original song is "Get me away I'm dying"

Ooh! Get me away from here I'm dying

Take me somewhere that's gossip free

Nobody cosplays like they used to

So it may as well be me

Dressing up can be fun

Here on my own now on at a con

Think of it this way

You could either be successful or be us

With our winning smiles, and us

With our whimsical costumes, and us

Now we're photogenic

You know, east coasters don't stand a chance

Oh, I'll settle down with some old manga

About a girl who's just like me

Thought love could make every costume great

You're so naive!

Most of us newbies reach a sorry ending

We always get it end

Still it was worth it as I post the photos, and then

With a winning smile, the girl

With naivety she tries

To be accepted, back stage she cried

I always cry at cosplays

Repeats and fades

Oh, that wasn't what I meant to say at all

From where I'm sitting, in my room

The computer buzzing as I type

But I am free to wander

Into the galleries of my friends

They never know unless I post

This is no declaration, I just thought I'd let you know goodbye
Said the hero in the manga
It is mightier than swords
I could kill you sure
But I'll never win best craftsmanship with these hands
Win with these hands
Win with these hands

Get me away I'm dying
Get me away I'm dying
Oh, I'm dying.

Thanks for reading,
