Chapter 1 - love my girl!

2

1 - love my girl!

The melody of your heart beats
Is the sweetest music to my ears
So here is my poem to you,
The one that removed all fears

~~~~~

You took away all of my pain  
With tenderness so divine  
By using your sweet lips  
As they passionate touch mine

Getting lost in your eyes  
Just to find myself in love  
A match that perfectly fits  
Like a hand in a glove

Leading me out of the darkness  
With your big smile so bright  
It lights up the rayless skies  
So I'd never even know it was night

I'm addicted to your touch  
Needing to be wrapped in your arms  
Enchanted by this warmth  
Effected by your many charms

As you bless me with the moon  
And sing to me the stars  
This once imprisoned heart  
For you, opened its bars

My emotions fly from my heart  
Landing on a sheet of paper  
As my solemn tears begin to form  
Like clouds consisting water vapor

For you are my one and only hope  
My dearly precious last life line  
Spending eternity with you my love  
Still is not enough of time
