**Chapter 1 - Freedom and Not**

**2**

# 1 - Freedom and Not

Kids are so free

They don't have to pay taxes

They don't have to pay bills

They don't have to work to feed a family

They don't work ten hour days

Kids are in cage

They can't make money if they're not such and such age

They can't go out whenever they feel like it

They need their parents to drive them everywhere

They have to do homework

They have to do dishes and chores
