What a Hotdog Wants

The hotdogs demanded emancipation.

“We want more relish, redder ketchup, and a warmer cooker!”

Commended the head honcho hotdog

“We want to be grilled, never microwaved!”

Yelled the supremely smartest sausage

“We want freedom from the cursed bun!”

Proclaimed the biggest brawniest bratwurst

“We want a better variety of mustard!”

Announced the large leader link

“We know what we want, and we want it now!”

Shouted the peeved pork products

“We don't care what you want!”

Answered the hundreds of hungry humans

And so they got ate. After all who really cares what a hotdog wants.
