1 - My friends hate me

My Friends hate me

My friends hate me,
I hate me too,
I deserve to die,
I guess that's y I cry,
They talk about me behind my back,
And act like nothing happens,
Maybe I really am anti-social,
Maybe I should cut myself,
Not where I could die,
Just somewhere I could feel the pain,
And see the blood,
Yes that would be nice,
But I need a place to conceal,
So no one will notice,
But I bet if they did,
They wouldn't care,
I can't wait for the world to end,

While everyone is running,
And screaming to god,
I'll just stand and say,
I told you so,
I feel a pain in my chest,
I want it to go away,
I can feel Goosebumps,
And not from the cold,
I'm too numb to feel it,
But unfortunately I can feel emotional pain,
I pretend to be preppy on the outside,
But inside I'm all torn and dark,
But I really don't care anymore,
I've learned to live with humanity,
They tell my secrets to the world,
They think I don't know,
But Nina tells me all,
I have to pretend to be happy,
Just so I can keep my...friends.
