Chapter 1 - Vampire

1 - Vampire

I am not what you are looking for, I have not the beating heart, this realm is filled with death and no more life that can be sought.

I am not what you are looking for, for I have no running blood, my life is done and gone to waste for I am what you have sought.

I am not what you are looking for, my life means nothing now, I've left this realm of light and life and am never to return.

I am not what you are looking for, I have not the beating heart, this realm is filled with death and no more life that can be sought.
