Chapter 1 - def. of life: POINTLESS

1 - def. of life: POINTLESS

You used to bring me life and happiness

But now you're but a scar that won't go away

You hurt and betrayed me

I used to care for you helped you and you helped me

Now you only bring back terrible memories that are meant to be forgotten

I cry at night knowing that my friends are happily home with they're mothers

When my self don't even have one who visits

I can't stand to see you anymore

Your poor and losing weight that isn't meant to be lost

I used to love and hug you and was proud to call you mom

But now you're just a person with an addiction problem named Elizabeth to me

I can't even look at my self in the mirror anymore because of my resemblance of you

I cry my self to sleep and have nightmare because of you

I hope you're satisfied you many peoples lives miserable including mine.
