How they met: Stoy time *WOOT*~~

One later afternoon A slim younge girl, with light blue hair,two ponytails and a star ninja headband across her forehead with a few hairs hanging over it, she was wearing a tanktop with small sleeves attached to it but under that she was wearing fish net it went to the mid part of her arm and all the way down befor her hips and upon her neck was a red ribbon with a golden bell in the middle and on her hands down about an inch from her wrist were some black fingerless gloves, she was wearing red fingernail polish and had the most beautiful Emerald eyes, her name was Mikazuki and she was laying in her hamic counting the money that was in that wallet she just stole. "Eleven,twelve,thirteen thousand yen! Hahaha, I did a good job today! Yukio-kun,Looky!!" Then a tall, slender red headed man with emerald eyes exact as her's and was wearing a beautiful Sakura flower kimono on peaked his head out of the door way,"What is it Mikazuki? Sadao will be home and I haven't even started started diner yet!!" Then Yukio went back inside running all around the house trying to get everything set for her other uncle Sadao. Mikazuki sighed and went inside to help with diner. Later that night a tall ,but not as tall as Yukio, slightly rounded black haired man who was starting to become bald with the same eyes as both of them and was wearing a long sleeved black shirt with baggy, ripped up jeans. "I'm home! And I gots lots of loot this time!!" Mikazuki and Yukio ran from the kitchen and they both tripped over the carpet landing face down infront of Sadao. The man sighed and shook his head "You two,I bet could choke on a grain of rice if you tried." Yukio got up and wipped his kimono and laughed "Hahaha, I bet you right Sadao-san!" sweatdrops were streaming down his head. Mikazuki finally giving up on having someone helping her up stood up and hugged Sadao, "Welcome home Sadao-san!! Diner is ready but first-" *takes the large bag from Sadao's hand. "Let's see your loot!!" She open the bag egeraly and sees gemes of many kinds. "AHHH!! THEIR BEAUTIFUL!!!" She hold the bag close to her chest and jumps up and down. Her uncle,Yukio,trys to take the bag from her but then Mikazuki glares at him "Don't you **DARE** touch *My gemes!!*" Sadao takes the bag away from her, "It's *All* of our gemes." Mikazuki pouted, she loved shiney gemes and thing with great wealth. Sadao grunted "Come on, I'm hungry, let's eat." Yukio said excitedly, "Diners all ready and the table is seet, Tonight where having chicken dumplings!!" But Sadao just grunted and sat at his seat at the end of the table. Mikazuki thinks that Sadao should be much nicer to Yukio because when Yukio was a little boy, he always looked up to Sadao and wanted to be just like him but in Mikazuki dosen't, she just loves his stealing skills. "Well / think that's wouderful Yukio-kun." , Yukio sighed "Thank you..." and he just takes a seat next to Sadao, then Mikazuki sits across from both of them.

But this meal will have a suprise, Mikazuki is going to be told some news that her Uncles are sure she's going to hate, Untill next time, Readers.

Yukio startted to stammer "U-ummm....Mi-Mikazuki-chan.....Sadao-kun needs to tell you something..." Mikazuki looked confused, "Yeah, so what is it?" she said as she took a sip of water. Sadao grinned a wicked grin "WERE KICKING YOU OUT!!" Mikazuki started to choke on her water and she spat up her water out at her Uncule Sadao, "**What!?!?!?!!**" As Sadao whipped his face Yukio tried to comfert her, "B-but not permently!! Were just sending you to the Leaf Village to take some loot from there town!" But Sadao scowled at Yukio, "I *Said* were leaving her there." Yukio tried to make a comeback, "Yeah and you said that you were going to clean the garage and you didn't, you made poor Mikazuki do it! Plus you told me the were just going to leave her there for atleast 5 years or so..." Sadao grunted once more "Well I say alot of things but this time I mean it, **She's staying there if she likes it or not.**" Mikazuki's rage was building up so fast she was even tempted to kill her uncle, "He would never see it comeing," she thought. And she reaches for her kunii and then-

### 3 - Time To Run, Hun.

From the last chapter.

Sadao grunted once more "Well I say alot of things but this time I mean it, **She's staying there if she likes it or not.**" Mikazuki's rage was building up so fast she was even tempted to kill her uncle, "He would never see it coming," she thought. And she reaches for her kunii and then-

That's the end of this chapter, Will Mikazuki kill her Uncle Sadao, Will she leave for the leaf village, And will anyone ever respect poor Yukio-kun?

~~~~~

Mikazuki was fingering her Kunii but then she thought "Bah! He's just a wast of my time." Suddenly someone was banging on the front door. Yukio got up from his seat, "I wonder who that could be this late at night?" He walked to the door and looked through the peep hole, he saw the coppers and he had a cold streak down his back. "Sadao-kun you must hide!! In the basment!!" Sadao grunted as he got up with his food and walk tword the rug and moved it to unveal a trap door that leads to the basement. As the fat man waddled down the basment, Mikasuki hatched a wonderful plan. Yukio covered the basment door and opened the door "Yes? How can I help you gentlemen?" As the police officers went inside the Chief stayed outside, "Sir, a wanted criminal has been passing by here, we need to find out where he is hiding. This will only take a few momments." he said this as he walked in. Then he spotted a young girl and smiled sweetly as he walked up to her, "Hello Sweety, what's your name?" Mikasuki saw her opening, with her sweet, innocent voice she said, "Mikasuki, excuse me sir may I tell you something?" The cheif nodded "Yes you may." Mikasuki grinned in the inside "We-well a scary man came here earlier, he told us to let him stay her for the night or he'd kill us, I belive he said his name was, Sadao. He's hidding in the basement now, the doors under the rug." The cheif was suprised and huged Mikasuki and looked into her eyes, "Don't worry young miss, well get the bad man." He cocked his head to the other officers. "He's in the basment, under the rug." Mikasuki laughed in her head "That's what the old man gets for messing with me." She said evily in her head. Yukio was scared, "How did they find out where he was? Mikasuki must of told them, I told Sadao that this was a bad idea to upset her like that." he mumbled to himself. As the officers went down the basment, the Cheif walked up to Yukio. "I thank you Sir for these few moments of your time, you have a cute daughter there, you don't find many honest teens now'a days." Yukio blushed "We-well she's not really my daughter, she's my neice. Her parents died, I think you know her father, Tokutaro Hoshiko, I'm his brother Yukio." Cheif smiled, "Yes I remember him!! He was a great warrior, if she's anything like her father, she'll be a greatly respeted ninja." Yukio laughed, "Thank you Sir." As the officers took away Sadao, Sadao cursed and yelled to Mikasuki saying that one day that he's gonna kill her. Mikasuki laughed at him, "Screw you old man, you don't control me anymore!!" She said as she gave him the finger.

Once the police were gone she smiled and looked at Yukio. "Yukio-san, let's go to that place you planed to take me anyway, who knows, we might find you a cute boyfriend!~ Yukio blushed "You mean it." She nods. Yukio jumped up and huged her, "YAAAY!! Do you know how long it's been since I hade a boyfriend?" "As long as I've lived here, right?" Yukio nods.

Well it's been decided, their leaving to have a new life. Now soon Mikasuki will meet a young boy, Austin Myo, will she make a good impression, will she be arrested for stealing, and how are they even going to get there?!

Until next time, Mak~
