## Haunted by Sorrow

I can feel my heart

It now beats again

It's starting to bleed again

What have I done now?

My wounds have opened up

But did they ever heal

I can feel my eyes

They now can see again

They're starting to cry again

What has happened this time?

My tears are flowing down my face

But did they ever dry?

I can feel my mind

It now thinks of you again

It's making me feel insane again

What have you done now?

My memories are coming back

But did they ever leave?
