# 1 - The voices in my head

~ My favorite creepy poem that I did XD~

"The Voices in My Head"

Voices are...  
your best friend  
they never leave you alone  
always there  
sometimes wrong  
sometimes right  
voices are...  
the things that keep you up at night  
haunting you dreams  
and your every thought  
voices are...  
darkness  
taking away your sanity  
if you don't control them right  
voices are...  
a blessing  
voices are a curse

## 2 - Loneliness

~My mom really wanted to take me to counseling after she read this one lol.

"Loneliness"

Loneliness is black  
it tastes like salty tear drops  
it feels like the air leaving your chest  
it smells like death  
loneliness is the worst pain anyone can ever feel  
loneliness is you  
loneliness is me

### 3 - Best Friend Love

~This is my favorite poem that I did really I love this one to death!~

"Best Friend Love"

You are my best friend  
so what do I have to fear except that...  
it might not work out  
that it might never be the same again  
or will we  
finish growing up together  
still in love  
get married  
and have a family  
this I'm afraid I will never know  
but, heck it's worth a shot  
to love my best friend

## 4 - Defending His Love

~Okay so my best friend told me to write this one based on this couple from Bleach Uryu and Orihime. I decided that they were my favorite couple on the show so, yeah I did it.~

"Defending His Love"

He looks across at the person he loves  
then back at the person who tried to kill her  
he pulls back the arrow  
and lets it fly  
he turns back to the person he loves  
the person he would do anything for  
even though he knows  
she's in love with someone else

## 5 - Heart Attack

~Okay yeah I know tribute to another anime character except this time it's L from Death Note XD~

"Heart Attack"

I feel the pain rushing through my chest  
I gasp for air but it won't come  
I fall out of my chair  
My friends scream my name  
and right before I close my eyes  
right before I die  
I see the face...  
the smiling face that wanted me dead  
and I smile back in triumph  
knowing that I was always right

## 6 - Shy Love

~ Okay so this one describes me in every way possible well how I was before I actually got the person I always wanted to be with XD~

"Shy Love"

I try to form the words  
but they cannot escape my lips  
so, I stare at you, my face aglow  
wondering what I should do  
I finally turn and run  
regretting not telling you the truth  
I love you

## 7 - Hard Work My Passion My Life

~ Okay yes another tribute to an anime character Rock Lee from Naruto~

"Hard Work my Passion My Life"

I was knocked down  
I was hurt  
I tried my hardest  
again I was knocked down  
and I was close to giving up  
but then I found my light  
and in doing so getting my life back  
and so, I will surpass with hard work alone  
you can laugh, you can mock  
but I will do it  
you will see  
that I will, be a genius too someday

## 8 - Tigers

~ Not my best work but still I'll put it up anyway~

"Tigers"

White as the snow  
Vicious and beautiful  
nature's true beauty shines in them  
Tigers

## 9 - A Lovers Death

"A Lovers Death"

I sit here and watch you die  
I see the light leave your eyes  
I scream and plead...  
but your gone anyway  
the pain is just too great  
I want it to go away  
and just when I thought it's time to go  
just when I think it's time to end it all  
you come to me in a dream  
and so I decide to stay  
even though I no longer have a heart  
because the heart I had went with you

## 10 - The Written Word

~Really I am a writer so I live by this poem~

"The Written Word"

Words are...  
internal  
they can never be truly erased  
even if they die  
they live on in your soul  
words are...  
creativity expressed on paper  
expressed in the written word

## 11 - You

"You"

No one believed in me  
no one wanted to help me  
Everyone gave up on me  
that's what I used to think  
but then you came along  
and taught me things  
I never quite understood before  
you gave me dreams  
you gave me hope  
you gave me everything I never had before  
and now I'm here to finally say  
thank you for everything that you have done

## 12 - The Ninja

~ Originally this one was called the Spy but I later changed it to the Ninja~

"The Ninja"

I lurk in the shadows  
coming close to getting what I need  
the hair on the back of my neck stands up  
every time someone passes  
my adrenalin rushes through my body  
so scared of getting caught  
so scared of failing my mission

## 13 - Insane Ex

"Insane Ex"

I came in...  
after an incredible night with him  
there I found my ex  
armed with a gun  
and before I could turn and run  
before I could even scream  
BANG  
I was dead

## 14 - Married Then Dead

"Married then Dead"

I walked out of the church  
hand in hand with him  
that's when the assassin came  
and tried to take his life away  
but I took the blow instead  
and now it is I who is dead

## 15 - The Portal

~ A poem based on a part of a story I'm writing so you might not get it and if you don't I apologize~

"The Portal"

I can't Breathe  
I can't move  
all I can do is float here  
in the obis  
hoping the pain will soon end
