## 1 - poem #1

1. The path to Destiny is broken  
The path to Emotions and Darkness are open  
When you find your way across Destiny  
Your going the wrong way.

1st 1 eva

plz review

## 2 - Dead

Lights fade away  
Into internal darkness  
Let death come

ppl from Texas ummmm... if you saw the news about 2 wks ago you heard 2 kids died in a plane crash 1 of them was my friend so i wrote this poem for him

### 3 - No Pain

no pain is like feeling nothing  
when you fall, you fall  
and feel nothing  
no Pain

cheesy i know

## 4 - He Broke my Heart...

He just walked into my life,  
And I never knew how I could feel,  
He broke my heart  
Once again it was sealed,  
He just had to walk into my life again,  
Later it shattered all over  
I never picked up the pieces because later i knew how i would feel,  
Year later and I picked up half  
not fully put together,  
I walked in the hall and saw him...  
He Broke my Heart...

## 5 - Stop and grow up...

Stop being mean,  
Stop being rude  
Cause all you do hurts you...

Stop and Grow up...  
Stop and grow a life...  
Cause you aren't wanted with the way you are,  
Stop and grow up...

## 6 - Not who you are

Your Not who your are  
Don't be who your not  
Never,never be who your not  
Your fine as you are

Don't try to be  
who your not  
stop,think  
This is not who you are

i know this sucked...

## 7 - Stoli

This chap. is dedicated to my dog Stoli who is going to be put down tomorrow...R.I.P. but anyway im very sad right now she is 15 years old and since im 13 I have had her for my whole life,ive hated her for the things she's done for 4 years now,but i might as well write a poem for her...

Had our hard times  
Had our rough times  
Hate to see go  
Now you need to know  
Your still my angel  
My one and only  
Your not just a angel  
Your what made me,me  
Now your in a better place  
So you still need to know  
...I Love You

## 8 - R.I.P. Pa

My grandfather died a couple months ago, and all i ask for is your feedback.

When you walked in the room,  
You saw her  
When you married her,  
All yyou saw was the lives that were going to be created  
You served,  
You fought  
You loved,  
You laughed  
At 98, you were really, to let go  
And wait for us at a better place

Stoli got put down, I lost a lot of my frieends, and im starting high school...  
I miss you Pa, and we're soooo proud of you, no matter what you think
