Chapter 1 - This is how I feel !

1 - This is how I feel !

This is how I feel

Yet I have a tormented soul that now has learned how to hate.

The love I once knew was torn from my body.

I weep at night,

I weep for the man that once loved me and yet he left me.

I dream of seeing him once more,

Even if that means seeing him in the arms of another woman.

He took my heart and threw it away without care.

Does he think of me before he lay his sweet gentle head down to rest?

Why can't I have for myself again?

Does he even miss me?

Does he even care?

I ask these questions to myself everyday.

I go mad with rage for his name will not leave my mind nor his face.

They hunt my dreams.

Why must he hurt me so?

This is how I feel today.

For I drew a heart and scratched it out with red for blood.

I'm sorry for telling you this for I must say something or I will explode.

You must think that I am weird,

That may be so,

But this is how I feel.
