This is what happens when I have no life and I think of the most random things in the world. So this is a story about Sasuke Uchiha who's family does NOT die and his brother is NOT totally evil (But still kinda is.). They move to Konaha because Sasuke's mother thinks it will give him friends that he never really had in the village that they lived in. Sasuke is quite happy with this and makes it his life ambition to make his parents lives miserable for making his own miserable.

..

I really have no idea in heck what I am writing about.

Just know the details that it is with Sasuke Uchiha, Naruto Uzumaki, Sakura Haruno, and, well, basically everyone in the Naruto series living or dead. :P

(Because I think that would create some funny moments. xD)

Well. Until I am able back onto the computer I will write more of the story.

DISCLAIMER: I do not own anyone anything or everything for that matter of Naruto. It goes to its respect owners. (Sadly)

WARNING: Some parts of the story WILL contain yaoi, so if you do not like or you do not enjoy DO NOT READ

I will inform you of the boyxboy parts
