A/N:

I hope you all are liking the story, for it's coming to a close.

These will be the final chapters of Foxx's story.

So..yeah....I'm making this up as I go peoples, so be patient.

Chapter 15 is going to be a three part chapter, so that wiull be a long one.

Oh one more thing! If anybody reading this wants to do fanart of it, you're more than welcome to, just ask for any details you need on my profile, and give credit where credit is do!

Well, I guess that's it for now, see you people later!
