Chapter 1 - You Won

2

1 - You Won

So
I've seen this pain before
I've helped you fight before
You won before
But now there is more to the story
Both of you are in pain
I want to help again
But when I try I am pushed away
I can feel your pain right now
both of you
but sometimes that is not enough
Why did God make me care
When caring gets you nowhere
but shunned
Seeing you both this way
makes me want to help
even when you say there is no way
but there is always a way
and now when your in the midst of tears, pain, suffering, hateing and loving,
remember the last time
You won.
