Chapter 1 - nature

2

1 - nature

when you are feeling lonely,
Trying to find your way though life,
Don't go chopping up someone finely.
Look to the clouds for the answer,
Feel your heart go up flying,
Do you see yourself dying?
The animals start running faster,
Quieter than a mouse,
You can hear a waterfall running,
Lideedi di dee di dee di di
What do you see in your heart to make you feel
this way
can't you change your life today,
Just cheer up and run a mile down 64.
And there you will find a wild forest,
Soon you can rest,
Sit by a spring,
And shout bling bling,
It is waiting if you but believe..
Shout woot woot for all we care shout your feelings out there
Find a place that can calm your nerves,
And try to get what you deserves,
Achieve and win,
You can always get second place,
Don't kill me with a mace,,
Try to live a little longer,
You can always get stronger,
Just remember,
It is waiting if you but believe.....
It is waiting if you but believe,
It is waiting if you but believe,
Li dee di dee di di dee di di.....
