**Chapter 1 - I am trying to get by**

**2**

# 1 - I am trying to get by

Passing by on the road,  
Sometimes i see flowers,  
And sometimes bridal showers,  
I don't know what to do now,  
Seeing happy people walking along,  
holding hands,  
singing a happy little song,  
I cannot see why,  
Or even get by,  
seeing people die,  
Why do i see the things in life?  
Sometimes i see my friends and then i get through these bends,  
Hey hey don't be sad.  
Start to be as happy,  
don't be bad,  
I then see you and then,  
I run and run as fast as i can,  
got to go and help that man,  
Dropped a bag has he,  
i think he needs help more than me,  
Pick up the bag,  
make a friend.  
He was really nice to me,  
Andthen i went to meet the.  
You were nice too,  
So i was nice to you!  
We are now best buds,  
And anyway, help each other kill soap suds,  
dog runs by on the road,  
and now i and you know,,  
That we aren't foes so try to make friends while you can.....  
Lets be friends and have some fun.....
