1 - How i met lovegoddess

Well it was like my second day here.

So i went to look who was here and saw lovegoddess and clicked on her name. I asked if she would comment on my stories. And of course she said yes. She liked my stories and she became my first bud on here!

And we're still best buddies on here of course!

Not to mention email buddies!

I'm happy she's my friend.

I hope she is too!

And anywho whats weird is that she said to call her kitty, and thats my nickname!

Heeheehee.

Now here's how i met zekk. He commented on one of my stories!

And of course i have commented on all of his stuff!

So we made friends with eachother.

We are penpals!

And he's making a new story that he says he will neva finish, But he going to cause until he finishes it he shall have to put up with me!

Hahaha!!

^.^Just kidding man you don't have to finish it*hugs Zekk*
