Sometimes, the only way one can confess themself to someone is through poetry. This is one of those times.

1 - When Words Fail

When Words Fail

My anxiety increases;

The feeling of being near you intensifies.

Forbidden is the feeling I have;

Unknown is the answer to whom the feeling is for.

If only you could see;

How I am without the fear,

Without the anxiety,

Without wondering;

Whether or not u feel the same.

If only you could hear;

The words I speak;

Words of encouragement,

Words of longing,

Words of eagerness,

Words of wondering;

Whether or not u feel the same.

If only you could hear;

The words I speak;

Words of encouragement,

Words of longing,
Words of eagerness,
Words of adoration.
If you only knew;
The depth of my affection,
The purity of my heart,
The meaning you bring to life.
Only words on paper;
Now can express how I feel.
When you are near;
My voice fails me,
My body trembles,
My being is keen on falling apart.
If only I had the strength;
To tell you how I feel.
For now words on paper;
Are all I have,
To show you
Your meaning
To me.
