1 - Kaede's potion

Chapter 1: Kaede's potion

Miroku, Sango and Shippo all sat inside Kaede's hut listening to Kagome and InuYasha's latest fight over What Inu had said.

"When will he learn?" sighed Shippo, "These fights always end with him kissing the dirt..." And sure enough as soon as Shippo finished they heard a resounding "SIT!!!!!" followed by a dull thud and muffled cursing. "You're right Shippo but the only reason he does it, is because he likes her and is incapable of showing his affection, unlike myself..." said Miroku as he quickly rubbed Sango's butt.

Smack "Yeah, well...keep your affections to yourself you pervert!!" yelled Sango.

"Still," Shippo sighed, "I wish we could do something about it. All this fighting gives me a headache."

"If that is really what you want, I have something that may help." Kaede said as she walked out of the back room.

"What is it Lady Kaede?" inquired Miroku.

"It is a potion that will let them get to know one another a WHOLE lot better. Pour it into their drinks tonight and you'll see what I mean in the morning." Kaede left the bottle with Sango and walked away with a small smirk on her face.

"Well, what have we got to lose?...if Lady Kaede says it it'll stop the fighting then lets give it a try." said Sango

"OK!" cried Miroku & Shippo in unison. "Let's do it!"

3 - that's not my woman

Chapter 3:That's not my woman

Kagome couldn't stop thinking about what Kaede had said.Her words just echoed around her now silver haired head.

(FLASHBACK)

" I'm sorry Kagome but I can't switch you back. You two need to learn to treat each other with respect and dignity. I refuse to even consider it until each of you has learned your lesson."

"Hey Kagome, what cha' thinkin about so hard?" asked InuYasha as he sped up to come and walk beside her.

"What Kaede said. I mean like what did she mean 'learn our lesson'

And how in the world are you taking this so calmly. WE ARE IN EACH OTHERS BODIES AND WE CAN'T DO A THING ABOUT IT"

"Hey calm down it isn't that bad. In fact it could have been worse..."

"oh really? How?" sobbed Kagome.

"Uhhhh..."

"I knew it." Kagome sighed. Suddenly she stopped "Hmmm... what's that smell?"

"Quick, tell me what it smells like Kagome"

"Ummm..ok. It sorta smells like, well an earthy woodsy dirty, kinda smell. You know what I mean."

"Yeah I know it to well. It's Koga."

And sure enough they could see a whirlwind approaching. When it got closer it trampled InuYasha's body and came to a rest in front of Kagome's."Ah, Kagome! Did you miss me?"

"I never miss you! You mangy wolf and stop holdin my hand like that. What are you gay?"

Koga abruptly released the hand of the body in front of him." You're not my woman! Who are you?"

"Isn't obvious stupid! I'm Inuyasha!" he yelled. "And FYI you just trampled 'your woman' YOU FREAKIN IDIOT!"

Koga turned to see Kagome pick herself up and brush herself off.

"I never realized how much that hurt." mumbled Kagome.

She turned around and found koga three inches away from her face just staring at her.

"K....K....Kagome?" he asked.

"Uh-hu." she nodded. "Yep, it's me."

Koga growled and turned to face InuYasha, "WHAT DID YOU DO TO MY KAGOME FLEABAG!"

"WHAT!!! I DIDN'T DO THIS! WHAT MAKES YOU THINK I WOULD?" InuYasha yelled right back.

"I don't know, but I'd bet my life you had some thing to do with it. Still I don't have time for you mutt." He turned back to his beloved trapped in his enemy's body "Don't worry ok? I'll love you no matter what.

Later Kagome!" Koga called over his shoulders as he sped off, dissapearing once again into a whirlwind.

"Ugh...that was just plain freaky!" cried Shippo."Koga telling 'InuYasha' how much he loved 'him'.

Ewwwww!"

"Shut up runt, he wasn't really telling me that he loved me, but your right that was just wrong!" InuYasha replied.

"OH NO!" Kagome screamed all of a sudden.

"What! What is it!" asked InuYasha as he peered around trying to see if there was any danger.
"I just remembered! I have a final exam in History tomorrow and if I miss it I fail!"

4 - the test

Chapter 4:the Test

"InuYasha! You have to go!" wailed Kagome. "I can't looking like this! If *I'm* not there tomorrow I fail the whole class! So...Please?"

InuYasha sat in the middle of Kagome's room with his eyes closed and he appeared as if deep in thought.

"Feh." was her only reply.

"Come on.....Please" Kagome begged." It'll mean a lot to me."

Inu opened one eye and finally said, "Fine I'll go, but I don't know a thing about what I'm supposed to take a test on. I'll probably fail anyway." he mumbled

"oh no your not!" smiled Kagome "Tonight, we cram!"

"I don't think I like the sound of that....." sighed InuYasha.

"We'll start with feudal Japan and move up and after that we'll..."

Early the next morning InuYasha headed off towards Kagome's school. He still felt a little weird wearing Kagome's skirt and he kept trying to pull it down. Earning him many strange looks from people on the street. He blushed and stopped, trying to concentrate on everything he had learned last night. He finally made his way inside the large, and sorta intimidating building.

InuYasha froze in the middle of the hallway with a helpless look on his face. He was near panic when he heard someone call 'his' name."Hey, Kagome! Come on! Don't want to be late for Mr. H's test do ya?" It was one of Kagome's three friends, if he remembered correctly.

"Uhhh....Yeah, right. Wait for me!" he called after the girl as he ran after her. "Hold on!"

InuYasha finally caught up to the girl and was about to snap off on how she should learn to wait when Kagome's other friends showed up. "Hi Kagome! Are you ready for the test today? I heard it's going to be super hard!"

"Yeah!" chimed in one of the other girls "Mr. H has really out done himself this year!"

"gulp.." was all InuYasha could get to come from his throat.

(during the test)

InuYasha sat near the back of the room listening to the teacher go over the 'during the test speech'

"And remember if you can't get one skip it and come back to it later, ok?.....begin."

Inu flipped his paper over and stared down at list of questions.

He read the first question and thought

He knew the second one as well and the third.....

By the time the block was over InuYasha had answered ever question and was feeling confident he had passed it for Kagome.

(back out in the hall)

"Well, it wasn't as hard as I thought it would be." The four 'girls' walked down the hall toward the lunchroom.

"Yeah, I mean....oh no!*giggle* Here comes Hojo!" The three friends started giggeling like crazy while InuYasha put up a confused face.

"Hojo? Who's that? Do I know him?" asked Inu.

"Know him! he has the biggest crush on you! To bad you already have a boy friend. You two would make a cute couple!" sighed one of the girls. "yeah...too bad."

"I...Have....a boyfriend?" asked InuYasha.

"Yeah you know! The tall guy, dresses in red, silver hair! I can't believe you would forget your own boy friend. I mean....."

InuYasha never heard the rest, he was already halfway back to Kagome's.

5 - sooo....i'm your boyfriend

Chapter 5: Sooo...i'm your 'boyfriend'

Ever since InuYasha had left to go to school, Kagome had layed on the sofa drifting in and out of sleep. So when Inu burst through the door calling out her name, she literally jumped 3 ft. in the air!

"InuYasha! You scared me! Ummmm...How did the test go?"

she asked as her heart rate returned to normal. "Do think I stand a chance of passing?"

"Yeah, sure, whatever...Listen...uhh...Today, I was talking to your friends when this Hojo guy walked by and..."

"Hojo! OMG what did he say? What did YOU say? What..."

"KAGOME! Nothing, ok, nothing. I said nothing he said nothing, got it?"

"Got it."

"Ok, but as he was walking by one of your friends said that you and Hojo would make a cute couple. But then another said Yeah to bad you have a boyfriend...aaaaand well when I asked about 'him' they described me. Soooo...am I your boyfriend?" He said all of this trying to look everywhere but her face. He was scared to death of what she would say, but he had to know.

"Well...I....I mean...Yeah, sorta..." Kagome turned the color of the haori she was wearing and looked away."How else do I explain you being here all the time?"

"Oh...yeah...Well, we better head back...to you know, the other."

Inu said all this with his back to Kagome, he wouldn't let her see the tears waiting to fall from his now chocolate brown eyes.

"yeah let's go..." Kagome stood up making sure her silver bangs covered the pain reflected in her golden eyes. Nothing else was said. Nothing else was needed.

Yeah, I know its short and sloppy but I'm having writer's block so please forgive me.

6 - Sesshomaru's jewel shard

Chapter 6: Sesshomaru's jewel shard

Miroku, Shippo, and Sango waited patiently by the well for their friends to return.

"They did say they were coming back today right Sango?" asked Shippo.

"Yes, Why do you ask?"

"I ask cause I'm bored...can't we go without them and..."

At that precise moment InuYasha climbed out of the well and bopped Shippo on the head. "You ain't goin nowhere without me runt."

"Owww....that hurt!" cried Shippo.

"InuYasha! How can you be so mean! He wasn't going anywhere, so why did you hit him!?" asked Kagome as she hugged the crying kit. "If I could I would..."

"You'd what?" smirked InuYasha. "Say...SIT!"

BOOOM Kagome hit the ground and sent Shippo flying into Sango's arms.

"Is that what you were going to say? Huh, Kagome?" laughed Inu.

Kagome stood up and brushed herself off and whispered under her breath, "You just wait, InuYasha! When I get my body back I'll,"

"What was that?" smirked Inu, "What did you say?"

"Uhh...nothing! I didn't say anything!" replied Kagome "Nothing at all!"

"Good...well let's get going. No use in just standing here."

(Meanwhile)

"Look, Lord Sesshomaru! Look what I found!" smiled Rin as she ran up to expressionless demon.

"What is it Rin?" he asked but kept his eyes on the road ahead.

"I don't know Lord Sesshomaru...but it's preety..." She opened her small hand and in her palm lay what looked like a purple/pink crystal. It glittered in the sun and made Rin look away.

"Me' Lord, the girl has found a sacred jewel shard!"

Shippo sat on Kagome's head playing with her new Inu ears, "Kagome! Inu ears look better on you!"

"Think so?" she giggled tweaking her ears herself, not pointing out that she kinda was InuYasha.

"Would you stop doin' that!" growled InuYasha.

"Why? Are we bothering you" asked Kagome as she continued to poke her ears.

"YEAH! AS A MATTER OF A FACT YOU ARE!"

"Back off...Right now these ears are mine so I'll poke em' as much as I wanna! So you can get over it!"

"Well how about I...Whoa...that's weird..." he mumbled taking a couple of steps backward holding his head. "What was that?"

"What was what InuYasha?" asked Miroku turning around to look at his friend.

"I don't know...it feels as if I'm being pulled in that direction..." he whispered as he pointed to the left and into the forest.

Sango looked at Kagome and asked, "Could it be he is sensing a sacred jewel shard?"

"I think he is...InuYasha..." she whispered.

"Come on it's this way." and with that he bounded into the forest with the others following close behind.

"Me' lord? Why have you stopped?" Jaken asked as he stood beside his master.

"Jaken, take Rin back to the castle. I'm going on alone."

"Yes me' lord....Come along Rin..."

Sesshomaru watched until they were outa sight and then lept into a tree. "InuYasha...do you intentionally come this way or is it because of this..." He held the shard between his thumb and index finger.

"Uh-Oh..." sighed Kagome. "I smell something..."

"What is it this time?" Inu was starting to get frustrated. This was like the 30eth time she had said that.

"It's kinda like...toasted vanilla & green tea..." she said as she sniffed the air again. "Yeah that's it..."

InuYasha stopped dead in his tracks and turned shakeily towards his friend. "Are you sure..."

"Yeah what's wrong? You're starting to scare me..."

"Yeah what is it InuYasha? You look like you just saw a ghost... You didn't did you?" cried Shippo off of Sango's head. "I don't like ghosts..."

"Shut up runt! I didn't see no ghost...Kagome...are you sure?"

"Yes! What is it!"

"...Sesshomaru..."

Uh-oh! Sesshomaru-sama is here! Yeah for fluffy!!!

7 - Your not Worth my time...part 1

Chapter 7: You're not worth my time... Part 1

The group froze as Sesshomaru lept silently from the tree landing with his back to them.

"InuYasha...are you really this ignorant? Coming right to me...Well it saves me the trouble of finding you." He turned and saw his brother crouching behind the Miko. When he saw this a smile almost crossed his face. "Letting a wench fight your battels now, InuYasha? Well...maybe she'll put up a better fight."

"WHAT DID YOU SAY?" growled InuYasha from Kagome's body which actually caused a faint smile to cross the demon's face.

"Hmm...so the human has a mouth on her" his smile faded quickly "Insolent wench step aside so that I may kill my brother."

"Umm...I'm not your brother." squeaked the voice of a hanyou. "I'm Kagome, thats InuYasha." she said pointing to the person directly in front of her.

Sesshomaru merely blinked and replied, "Nice try, but I'm not easily fooled. Draw your sword brother, for I grow tired of this foolishness." Sesshomaru slowly drew his sword giving time for his opponent to do the same. When he did not draw his frown deepened. "Did you not hear me half-breed? I said draw!"

Sesshomaru lept at his opponents throat but Sango's boomerange stopped him short. "Hirakotsu!" The weapon quickly returned to the woman a stride the two-tail. A monk sat behind her, scrolls in hand.

"grrr....stay outa this!" InuYasha growled. "This isn't your fight!"

"But..."

"I said stay outa this!"

"Ha, I would have thought you most of all would crave asistence in a battle against one such as me."

"Your really full of yourself, aren't you?" smirked Inu.

"Enough Wench! Die InuYasha!" and with that Sesshy once again lunged at the half demon.

Seeing that Kagome was just standing there, (Author's Note: Stupid Ain't She?) InuYasha pushed her out of the way and took the blow. Inu fell to the ground clutching his bleeding arm and yelled to Kagome, "What Are You Doing? Fight Back Kagome!"

"But..."

"Just do it!...Look OUT!" Shessy launched another lethal attack which Kagome dodged just in time. Finally taking InuYasha's advice Kagome drew Tetsaiga, and nearly dropped it.

"Wow, this is really heavy..." Kagome panted lifting the sword barely an inch from the ground. "Inu makes it look so easy ...WHOA!" Kagome dropped the sword and lept into a nearby tree narrowly missing the blade of Sesshomaru's sword.

"What's the matter InuYasha? Tired already?" laughed the crazed demon.

"I Told YOU I'M NOT INUYASHA!" Kagome screamed continuing to jump from tree to tree. "HE IS!!!"

"Bastard! You leave Kagome alone! Its me you want!" InuYasha was back on his feet trying to keep his now inferior eyes on the two fighters. He never realized that she might not be able to weild Tetsaiga, he had thought having his body would be enough but...

"InuYasha! If You won't let us help, do something yourself!" Sango shouted.

"Try shooting one of Kagome's arrows!" Miroku sounded as he threw Inu the bow.

"huh?...yeah ok..." He quickly knocked an arrow and took aim, or well at least tried to. They moved to fast for him to get a clear shot, but if he didn't do something soon Kagome would surely die. So praying

for the best he let the arrow fly.

8 - You are not worth my time...part 2

Chapter 8: You're not worth my time... Part 2

The arrow never lit up like Kagome's but it did hit a mark, To bad it was the wrong one. InuYasha watched in horror as the arrow spireled towards his precious Kagome.

As the arrow pierced her chest she let out an ear shattering scream which caused even Shessomaru to flinch. He watched as his so called half brother fell to the ground with a dull thud blood splattering the ground and pooling around the hanyou.

For a moment his eyes seemed to soften but they quickly returned to normal. "Hmph. I no longer wish to continue Inuyasha. As of now, you are not worth my time. When I kill you I want it to be me who does it not your wench. Here take this, I have no use for it." He dropped the Jewel shard on the ground and just like that he was gone.

Shippo lept to the bleeding Kagome and quickly over looked her wounds and turned with tears in his large reddish brown eyes. "If we don't get her to Kaede's soon...she...she might not make it..." Shippo sobbed.

"Kagome..." whispered InuYasha. "What have I done..."

"Sango take Kilala and Kagome and go on ahead, we'll catch up." Miroku stated in a tight worried voice.

"We won't be long..."

"Ok...Kilala!" Sango yelled for her companion who came immediatly to her side. "Lets go..." And they left Inu, Miroku, and Shippo staring after them as they flew across the starry sky.

"Well...lets move. No point in just standing here." Miroku said as he walked into the forest with little Shippo crying on his head.

"Kagome...please be all right..." InuYasha desperatly thought as he followed his friends trying his best to not let them see him cry.

(The next morning at Kaede's)

Kagome slowly opened her eyes to find herself lying on a cot in Kaede's hut. "ohhh...what happened?" she moaned. As the words passed through her lips the memory of the night before over came her. Shesshomaru, the fight, the arrow, InuYasha...She quickly flung herself outside to find the others still asleep but they didn't seem harmed. She let out a releived sigh which rosed Inu from his troubled sleep. Seeing Kagome standing again caused his chest to swell with joy.

She turned to go back inside but he sat up and caught her hand.

"Kagome..." he breathed so only she could hear him, "I'm so sorry..."

Kagome turned to see that Inu had hung his head low so that black hair covered his eyes which somehow she knew where brimming with tears. "Oh, InuYasha..." she sighed. "I..."

"Good morning!" Kaede beamed as she strood out of the hut. "Nice to see you back on your feet Kagome!"

Kagome flushed and InuYasha quickly released her hand.

"KAGOME!" Shippo cried "I'm so glad you are ok!" He quickly lept into her arms and gave her his biggest bestest hug. "Don't ever do that again! ok?"

"Ok Shippo. I won't." smiled Kagome

Sango and Miroku stood in the background each with a big grin on their face. But Miroku's was for a

different reason than Sango's, his was because his hand was just about to reach Sango's butt when...

SLAP "DON'T EVEN THINK ABOUT!"

"Sorry couldn't help myself..."

*[Awww...poor](#) miroku. Won't he ever get some love? And stupid Kaede ruining a tender moment but its not over just yet! (; *

9 - Back to normal

Chapter 9: Back to normal

As Kaede looked at the group in front of her she realized that they had indeed grown closer just as she planned. She also noted that there was a lot less fighting, now was the time to set things right.

"Kagome...InuYasha, you two have given me reason to believe that you have indeed learned your lesson. I will now return you to normal if you so desire..." she added with a slight smirk.

"OH, yes please!" sighed Kagome, "I really want my body back..."

"oh...alright," mumbled InuYasha, "But hang on a second. There is just one thing I have to do....Kagome, SIT SIT SIT SIT SIT SIT SIT!!!!!!!!!!!!!!!!!!!!!!

Later on that night the group had set up camp on the edge of a meadow. Sango, Miroku, and Shippo sat around the camp fire while Inu waited off in the woods somewhere for Kaede's new potion to take affect. Kagome had excused herself earlier to go and find him.

"I better find him before we switch back, or else I'll be lost forever!" Kagome thought desperatly as she sniffed the air again. "Aha! Got him!"

She found Inu sitting beside a small stream watching the fireflies twinkle against the dark. "InuYasha?"

"Feh..."

"Mind if I join you?"

"Sure, whatever." he said scooting over to make room for her to lean against the boulder behind him as well.

The young couple sat in silence for what seemed like for ever until

"InuYasha?" Kagome whispered

"Yeah..."

"I'm sorry.." Inu turned to look at her "I didn't mean what I said back in my time. You mean so much more to me...and...I, well i guess I just didn't want you to know. and I'm sorry If i hurt you..."

"Kagome..."

Kagome turned and found herself lost within chocalate eyes that were slowly coming closer when...SWOOSH! It felt as if she had been falling forward but had caught herself. She slowly reopened her eyes and found that she was staring into yellow eyes...

"InuYasha..." was all she said before she leaned the rest of the way over to finish the kiss he had started. Inu broke away from the mind-numbing sensation and wrapped his strong arms around his woman, his love...and dare he say it, mate?

Kagome accepted his embrace and there they remained in each others arm with only the stars as witnesses.

*Short, yes, but beautiful! This will probably be my favorite chapter!
