# 1 - Untitled

What Color is Your Love?

Red

Your blood runs hot  
With passion and lust  
There is fire behind your eyes  
But be careful, Approach him/her with caution  
One of you has something which you hide

Blue

You feel like you need no one  
Yet your still desperate for love  
You play the part of outcast  
And act like no ones ment for you  
But hold on tight to those...  
Who knows they might come true.

Black

You say you hate everyone  
And that everyone hates you,  
But isn't there maybe a 'certain someone'  
Who has their eye on you?

Green

You are outgoing  
And first to make a move  
You are always last to leave a party  
And ain't afraid to show yourself  
In front of someone new

Purple

You are the shy one  
Someone quiet, sweet and cute  
you never want the limelight  
And Your crush thinks your a mute!

Yellow

And last but not least  
Your the one who doesn't know  
Your a mixture of them all  
Or maybe just one or two

Someday you'll find your place  
Maybe sometime far away or...  
Maybe sometime soon.
