### CHAPTER ONE (MY NEW JOB)

The day was over and Rachel had just gotten home from fighting school.

'Hey Hunny' said Rachels Mum as Rachel walked into the room 'hey Rachel have you had a nice day?' as she saw Rachel was covered in blood

'so did you win?' Rachels big sister asked (oh her name is Yui)

'yeah i won' Rachel replied as she started to wash off the blood. 'hey Yui' Rachel said as she finished washing off the blood.

'yeah whats up?' Yui asked

'did my boss ring?' Rachel asked in return

'yeah' yui replied and pulled out a tape

'Yui you do know you rock' Rachel said as they both walked into Yuis room. Rachel made sure her mother as not listening and Yui put the tape in the tape player and hit play

*'Hello Yui is Rachel there?'* asked Rachels boss over the phone

*'no but i thought it was you so this is taping'* Yui replied

*'oh good, so Rachel will hear this?'* Rachels boss said

*'yeah of course she will'* Yui replied

*'ok, Rachel your next job is high classed i know we shouldn't keep putting these jobs on you but you are our best, ok so any ways, all the info will be there at 11:32pm tonight'* Rachels boss said

*'thanks Luke'* Yui said and with that the tape finished (oh and Luke is Rachels boss)

'it's 11:30pm only 2 more minutes' Rachel said walking out of the room and to the front door.

'hey Rachel, do you need me to call the school and tell them your not going to be there tomorrow?' Yui asked

'no i hope it won't take that long' Rachel said as the time hit 11:32 then a black car pulled up on the other side of the road and a man got out of the car he looked Rachels age, he has hair that goes down to his shoulders blonde and he had blue eyes but he was wearing black glasses and he was wearing a black suit. oh and he has a folder in his right hand.

'Josh it is good to see you again' Rachel said as her heart started racing

'here' Josh said handing the folder to Rachel and walked away

'Josh wait' Rachel said grabbing his wrist

'Rachel we can't do this' Josh said as his heart started to race seeing Rachel eyes looking into his

'why must we stop this?' Rachel asked not knowing Yui was watching them and with tears filling her eyes she could hardly see anything.

'Rachel please let go' Josh asked as Rachel let go of his wrist the tears started to roll down her face and to the ground Josh turned and walked back to the car got in and drove away (he was not driving) as Rachel watched Josh drive away she fell to her knees and cried

'Rachel are you okay?' Yui asked walking over to her sister and holding her

'why dose he do that to me?' Rachel said still crying

'what did he do?' Yui asked

'he said he loved me and now he is pushing me away' Rachel said getting up off the ground tears still falling from her eyes but not as badly as before

'where are you going?' Yui asked

' i'm going to my room' Rachel replied and went in side and strate into her room when she went into her room he sat the the flour and looked at the info about her next jod she saw a picter or a man with long black hair and green eyes his name was peter and he was 24 years old and he must DIE....

### 3 - my job is my life

#### CHAPTER TWO (MY JOB IT MY LIFE)

As Rachel was reading the info about the person she could only think of Josh and her last job.

*(this is a memory)*

*(Rachel and Josh are by themselves)*

*they are in a burnt down tower and Rachel is covering blood from fighting 4 men at the same time*

*'Rachel i thought you were dead for sure' Josh said holding Rachel in his arms*

*'Hey no one can kill me that easy' Rachel replied holding Josh 'hey Josh why do you care about what happens to me?' Rachel said letting go of Josh and taking a step back*

*'because i.. well i... i love you' Josh replied stepping toward Rachel and kissing her right on the lips, Josh pulled back and looked at Rachel 'do you feel the same?' Josh asked looking at Rachel who was going bright pink*

*'yes, i love you too Josh' Rachel said hugging Josh*

*(memory ends)*

'Rachel i think you should go to bed' Yui said walking into the room

'okay, night Yui' Rachel said then Yui left the room as Rachel took off the clothes showing her black bra and panties and her every soft skin as she took off her bra she was still thinking of Josh she started to put on her green pj's got into bed and fell asleep that memory still going through her head

(next day)

'Rachel time to get up' Yui said

'okay Yui, i will be right down' Rachel said getting out of bed and going to the kitchen to have breakfast

'how did you sleep?' Yui asked as Rachel sat down

'yah well i guess' Rachel said scooping down her breakfast

'are you going to work or school' Yui asked

'both' Rachel said as she left the room to go get dressed once she had finished she walked out

'hey where's mother?' Rachel asked about to walk out the front door

'she out the front' Yui said and Rachel walked out

'bye mum' Rachel said and ran down the street

(outside the man house)

'i'm so glad Josh isn't here' Rachel thought to herself looking, as she looked at the man who was sitting in a light red chair

'so Rachel what's the plan?' Josh asked walking up behind her

'WHAT ARE YOU DOING HERE?' Rachel yelled

'well we do work together' Josh said walking closer to Rachel

'stop' Rachel said trying not to look at him

'why i thought you loved me' Josh said still walking up to her

'i do but this is, i mean you were the one to tell me it was over' Rachel said looking at Josh who was over right in front of her

'no i never said it was over, i said we can't do this' Josh said putting his arms across Rachel's back and pulled her closer to him.

'yes and that means it is over' Rachel said pushing him away from her

'no it means-' and before Josh could finish she had run off to go do the job.

'RACHEL WAIT' Josh yelled and then a bullet went right past his head and hit Rachel in the right arm but

she just went on running. when josh found her she was with the man and he had a gun in his hand and it was pointing to rachel but before he could shoot she had thrown a stone at his heart and killed him. as the man hit the ground Josh ran up to Rachel

'why do you keep doing this? you could have died' Josh said wrapping his arms around her

'why do you care, i mean i said it before you said it was over or we shouldn't do this' rachel said trying to push him away but he won't let go of her

'what i meant is we should do this in front of you sister' Josh said holding her but not her right arm he was trying to stop the bleeding but the blood wouldn't stop

'but still why would you do this? why must you hurt yourself so much?' Josh asked looking at rachel

'because my job is my life' Rachel replied

'and you are my life' Josh said holding Rachel in his arms once again and Rachel knew then and there that Josh truly loved her.

## 4 - teacher vs student

### CHAPTER THREE (TEACHER VS STUDENT)

Josh drove Rachel home and then drove off, Rachel walked had a shower and got into her school clothes and fixed up her arm then went to school (Yui drove her)

(front of the school)

'Rachel i hope you don't get killed' Yui said as Rachel closed the car door and turned to the school, the school was a 5 storied building, because there were 5 levels. at the bottom was the newbies/level one and at the top was the level 5 students but Rachel was in level 4 and she was the top of her class and the most popular person in the school but here was going to be a new person at school today.

'hello Princess Rachel' said one of the boys from the Princess Rachel fanclub his name was James, oh and he is the head of the fanclub but when they fight he doesn't hold back

'hello James' Rachel said still happy about what happened a little while ago

'what are you so happy about?' James asked

'it's nothing i just get to fight Mr.Hiro today' Rachel said getting even happier remembering she was going to fight Mr. Hiro today and he is her teacher

'i hope you win' James said 'here let me take your bad for you' James said and Rachel handed her bad over to James and they both walked to the 4th floor.

Rachel and James both walked into the class room everyone was telling Rachel "good luck with her fight" she smiled and said "thanks" when Mr.Hiro walked into the room everyone sat down

'hello all and Rachel i can't wait to fight but at the moment i would like to introduce our new student, come on in' Mr. Hiro said and the new student walked in 'everyone say hi to Josh' Mr.Hiro said and Josh walked in you could tell Rachel was shocked but all the other girls were already planning a prince Josh fanclub

'hi Josh' everyone but Rachel said

'hi' Josh replied

'okay, Josh there is a seat next to Rachel' Mr.Hiro said and Josh sat down

'hey Rachel' Josh whispered

'what are you doing here?' Rachel whispered back

'well number one said i should come here and you know i can't go against his wishes' Josh said and smiled

'okay Rachel are you ready to fight Josh?' Mr.Hiro asked

'what?' Rachel said standing up

'well you are the strongest in the class and Josh could be just like the rest of them and lose but i will only fight the strongest' Mr.Hiro said and Josh stood up

'okay i will fight her if she would like too' Josh said and everyone walked out said

'now let's see who is the strongest' Mr.Hiro said then Rachel and Josh both stood in fight poses Josh started running towards Rachel and went to hit her but Rachel knocked him to the ground with one hit everyone in the school was watching and it was amazing to see Rachel move so fast. then Mr.Hiro took Josh out of the fight and stepped in 'okay you still are the fastest and strongest, so now i will fight you' and with that it was on they both just stood there when Josh woke up they had started to fight it seemed that Rachel would lose they were both covered in blood then Rachel ran towards Mr.Hiro and then it was all over Mr.Hiro had lost Rachel had pulled a vanishing trick on him and knock him to the ground

'you won Rachel' Josh said

'wow i did, but i hope i didn't kill him' Rachel said and then the people from the fanclub pushed Josh out of the way

'good work princess' said one of the boys from the fanclub

'Josh' james said walking up to josh

'yes um i dont think i know you' josh said looking at james

'oh sorry i'm james head of the princess rachel fanclub' james said

'thats nice now what do you want?' josh asked

'what i want is Rachel and no new boy is going to rewen my chance so i don't want you near the princess or you will be sorry' james said looking josh in the eyes

'oh i am sorry, i am sorry that you cant think of anyone but yourself' josh said

'what is that meant to mean?' james said

'you say that is what you want but is it what she wants?' josh asked looking at rachel who was in the middle of about 100 people all from her fan club

'yes that is what she wants, i will always be there for her, i love love her till the day i die' james said

'but you didnt answer my question, is it was she wants? does she love you? or is her heart with someone else?' josh asked and walking up to rachel

'hey josh i hope i didnt hurt you' rachel said

'no you didnt' josh said 'but now i now not to get on you bad side' rachel smiled

'princess it is lunch would you like me to get your stuff for you?' james asked

'no it is all right i can get it and i think i will go home' rachel said walking off back to the class room.

## 5 - i dont want to say goodbye

### CHAPTER FOUR (I DON'T WANT TO SAY GOODBYE)

'Rachel are you okay?' Josh asked walking into the class room

'yeah, but i don't want the fanclub around me all the time' Rachel said picking up her bag

'but why? you looked so happy' josh asked picking up his bag and they both walked out of the school

'i was only happy because you were there' rachel said blushing

'well school should be a very happy place for you' josh said not know james was watching them with 4 other fanclub boys

'what dose he have that you dont have james?' asked one of fanclub boys

'i dont know but i will not let him have rachel' james said

'josh why do you love me?, i mean there are a lot more girl piritter and more funny then me so why?' rachel said

'because you don't let anything hold you back and you dont take shoot from anyone and who says they are pritter and more funny' josh said taking rachel's hand and they both walked to rachel's house

'so what do you want to do when i come out?' rachel asked

'well why dont we go to kiris and tell her the good news?' josh said (kiri is their fighting teacher not from school)

'yeah, i will be right out' rachel said and walked into the house.

'hey rachel' Yui said 'how did the fight go?'

'yeah i won' rachel said walking into her romm to her changed when she was done she came out and walked over to yui

'i'm going to kiris ok?' rachel asked

'yeah just dont get killed' yui said

(josh)

as josh was waiting out side the house 'what are you doing out side the princess house?' james asked standing behind josh

'oh we are going to see someone but what is it to you?' josh asked

'dont be dumb' james asked

'oh hey james whats up?' rachel said walking over to josh and grabing his hand

'um nothing, are you two going out?' james asked looking at their hands

'yeah' josh said and they both walked off to the busstop

'hey josh you do know what i happen now dont you?' rachel asked as they reached the bus stop

'yeah i will be the most hated person at school but i dont care as long as i can be with you' josh replied (at the school with james) + (fanclub)

'we now have so one who is trying to take our princess way from us' james said to all the people in the fanclub and that means all the boys from the school

'who would do such a thing?' asked the vice presodent of the club (his name is jay)

'the new boy JOSH!' james said the fanclub was shocked to hear the the princess of the school would go out with some like josh so they started to plan a evil plot agenst josh

(rachel and josh at kiris)

'kiri' rachel yelled and gave her a hug oh yeah kiri is 32 years old

'im so glad you are here' kiri said hugging rachel back

'why?' josh asked as kiri let go of rachel

'well because i just got a call from, your boss, number 1 and he has reason to believe that someone is after rachel and when i say after i mean kill' kiri said and as she said that josh rapped his arms around rachel and as rachel's head hit his chest tears started to fall from her eyes and not because she was worried about herself she was worried about josh

'hold on, what's going on with you two' kiri asked looking at rachel and josh, as josh was holding rachel while she was crying and looked at kiri 'why would anyone want to hurt rachel?' josh asked still holding rachel who was still crying and who hated the thought of josh getting hurt

'they don't know but when they find out they will tell us and until then how would you like to stay here?' kiri asked rachel and josh

'no thanks we have school' rachel said pushing away from josh and walked out of the room

'rachel wait' josh said but just when he was about to run after her kiri stopped him but grabbing his wrist

'why would you let me go after her?' josh asked in a very angry voice

'but you are why she is so upset' kiri replied

'what?' josh asked

'in the past when someone wanted to kill her she would break down, but now she is putting you in danger she is worried that you will get hurt' kiri said

'how can you tell?' josh asked looking at kiri

'well i have known her since her father died and that was when she was 3 years old and to make things worse it was her birthday when i met her' kiri said looking out the window and josh sitting on the sofa thinking about how hard rachel must have it since her mother drinks a lot and her father is dead but she always had her sister with her, but he never knew how sad she must have been even when she was 10 she always tried to smile (rachel and josh met when they were both 10 years old)

'what are you thinking of' kiri said looking at josh who was staring at the ground as the thoughts went through his head and didn't even hear kiri talking to him until she hit him over the head with the back of her hand

'hey what was that for?' josh asked rubbing the back of his head where kiri had just hit him

'i asked you a question' kiri said

'oh sorry, what was the question?' josh asked still looking at the floor

'i asked you what you were thinking of' kiri said walking over to josh who had not looked up from the floor

'i was just thinking about how hard rachel must have it' josh said finally lifting his eyes from the floor and looked out the window

'you might think she has it hard but she has you and yui with her and with you madly in love with her i think she will be a lot better off' kiri said once she said that josh stood up and left the room to go look for rachel. when he found her she was crying sitting on her knees her long dark brown hair over her shoulders and it showed a birthmark in the shape of a pentagon on the right shoulder (on the back) when he took another step towards her he saw two more people one had a gun pointed right at rachel and it was a girl the other was a male and he had nothing in his hands a few seconds later the girl shot rachel and then they both left as rachel layed on the ground holding her chest where she had been shot, josh ran to her and held her in his arms. rachel looked at him as she could feel the blood running down her side and hitting josh's leg and she could feel her life slipping away from her.

'hold on rachel' josh said as more and more blood hit his leg and he knew that rachel had left him the tears fell down his face and he could feel his heart breaking even though he knew he would not come back he still tried because he could not live without her.

when kiri came to find out what they were doing she found him holding rachel in his arms crying

'josh who did this?' kiri asked

'...' josh was trying to say what they looked like but the words wouldn't come out only tears came out from him. three days passed and josh was still crying the loss of his love was too much to bear and for the last

three days he had tried about 100 different ways to die but every time Kiri would walk in and stop him then it was back to crying she knew how much he missed her but she knew she would not always be there to stop his attempts of and he might achieve his goal so she called Luke his boss to come and help him to get over her.

## 6 - memories

### CHAPTER FIVE (MEMORIES)

When Luke came is got there just in time because josh was hanging from a tree a ballet around his neck and if Luke had gotten there a second later josh would have died. Luke cut josh down and tears started to fall from his eyes once more. Josh why did you do that? Why do you have to be with her so bad? Luke asked

because I love her, she is the only one for me josh said and kiri heard that and tears started to fall from her eyes and that was the first thing he had said for three whole days but that is all he could say because after he said that he fall to the ground because he was not only talking he had not eaten a thing in three days ether.

Hurry gets him to the house Luke said and to make things woes it was starting to rain and that would not make things easy.

Right kiri said and with that they both lifted josh up and took him to Rachel s old room.

How do you think he ll be? kiri asked Luke

well I don t know I am going to call doc and see if she can come over to take a look at him and she might be better at talking to him then I am Luke said picking up the phone to call doc (doc is a doctor and she lost her lover in the fight with the ones they think may have killed Rachel oh and doc I her name).

(With Rachel who every thinks is dead but she not)

Wake up you lazy little girl some girl asked

Who are you?! Rachel yelled hoping out of bed with nothing on

you might want this the girl said handing Rachel a dress (oh yeah the girl only looks about 5 years old and she is only 5 years old) and Rachel looked at the dress confused she looked down at herself and then snatched the dress

Sorry but you were bleeding so bad my mummy had to get the clothes off and fix you up the little girl said

So what is your name young lady? the women asked

Well you see I can t remember Rachel said

Ok then I will call you Rina and you can call me mum how dose that sound? the woman said

Thanks, mum Rachel said oh should I say Rina then the woman walked over to rina and gave her a big hug and that was the most she had gotten from even her real mum because well her mum drinks a lot so she was hardly home and is she was is was at the front of the house pasted out but rina had forgotten that and just hugged her back

Hey mum? rina asked

What is it sweetie? mum asked (hey is rina can call her mum why not me I did make her)

Where did you find me? rina asked

Well you were half dead in the ground in the forest and you were covered in blood mum said  
Oh is that why my chest hurts? rina asked  
Yeah Rachel said hugging rina and all rina could do was hug her back and smile  
That sis rina said  
Hey you called me sis Rachel said looking at rina with little love hearts in her eyes  
Well you are my sister, if not by blood then by well by our mother finding me rina said and pulled  
Rachel closer to her and giving her a bug hug even though her chest is in pain  
Rina I think you should get some more rest you must still be in pain mum said and Rachel it is your  
bed time  
Ok mum, night sis Rachel said giving rina a kiss on the cheek  
Night rina said and layed down and fell asleep

(The next day with josh)

He should be fine but she needs food and he needs Rachel doc said  
You know we can't bring her back from the dead kiri said but in her mind wishing she could  
Well you see I don't think she is dead on the way here I saw a little girl and a woman pick her up and  
her eyes were open doc said  
What Rachel is still alive I told you she was not dead I told you josh said hearing every thing they had  
said  
Josh you still need rest doc said pushing him back down  
Who needs rest when Rachel is still alive josh said jumping out of bed  
you that's who doc said grabbing josh and throwing him back on to the bed you will need some food  
too doc said walking out of the room to get him some food  
But I need Rachel just like you said  
Yes I did say that but I also said you need food before that meaning you need food more then Rachel  
doc said  
How dear you say I need food more then Rachel I need Rachel more then food josh said pulling a gun  
out of his belt and pointing it at doc  
put that down josh if you kill me you will never find Rachel think before you act, but don't think too much  
you will get a headache she said then walked back out of the room and walked back in with food for  
josh. Josh act the food as fast as she could then jumped back out of bed  
There I have had something to eat now can I go see Rachel? josh asked  
Fine doc said and then josh pushed everyone out of the room so that he could get changed. He came  
out a few seconds later  
Let's go!! he yelled and then they were off.

(With rina)

Hey rina? Rachel asked as she walked into the room  
Yeah what's up Rachel? rina asked  
Well um what would you do if you remembered your past? Rachel asked with tears starting to form in  
her eyes  
Well I don't know but its not like I will remember anytime soon rina said getting out of bed and hugging  
Rachel  
What are you two doing out of bed? mum asked  
Well I was just well um- before Rachel could finish say what she was going to say rina butted in  
It's my fault mum rina said still hugging Rachel  
What's wrong rina? mum asked starting to walk up to rina  
Well I had a bad dream and screamed and Rachel came running rina said and rina just smiled

But before mum could give rina a hug there was a knock at the door and mother answered it  
Yes how may I help you? mum asked in her nice voice like always  
Well you see we are looking for a girl called Rachel doc said  
Yes I know a Rachel why do you need her? mum asked  
She will know josh said looking very happy to final see his love  
Ok one moment please mum said and went to go get Rachel  
Hello Rachel said  
Um who are you? josh asked in a very said voice  
I am Rachel and why are you? Rachel replied  
Well I m doc, this is josh, kiri and Luke sorry but are you the only Rachel here? doc said  
yes why?  
well you see our friend was hurt and I saw some one take her here doc said  
Huh? Rachel asked  
Oh then please come in mum said walking up behind Rachel  
Thanks doc said looking at josh that looked like he was going to cry again  
So you say her name is Rachel too? mum asked  
What? josh asked looking at her with open eyes (and when I say open I mean wide and they are like  
bug caches)  
That girl we saved her is her name Rachel? mum asked  
Yes so is she here? josh asked  
Yes she is asleep, so tell us why we she alone and why was she bleeding? mum asked  
Well you see I saw her get shot and I was with her when I thought she died she was shot in the chest  
and when I saw her eyes shut I thought she was dead josh said  
Yes ok that tells me why she was bleeding but why was alone? mum asked  
well that was because of me, I took him way from her and he was trying to get to the other side to be  
with her so I thought the best thing to do would be to take him away kiri said  
Ok then well you can see her when she wakes up mum said  
Hey mum who are these people? rina asked  
RACHEL every one yelled well everyone but mum and Rachel oh and rina  
What are all your names Rachel too? rina asked and everyone looked confused  
What the? Rachel its me josh josh said putting his hands on her shoulders  
Let go of me! rina said  
Rach josh said as tears started to fall from his eyes  
My name is rina rina said  
Hey sweetie, they say that they are who you use to know mum said  
Hold on did you say mum before? kiri asked Rachel  
Yeah mum been taking care of me rina said  
Rachel please listen to me you are Rachel and you are a- and before josh could finish his sentence  
there was a sie thrown at rina and she was able to top it just before it hit her in the head  
Rina how did you? Rachel asked looking at rina like she was a Hiro  
Um I don t know rina said  
I know how josh said  
How? rina asked  
because you are Rachel the top student at black vill high school which is the top fighting school you just  
bet Mr.Hiro and that is why we came here to tell kiri they you are top of the 4<sup>th</sup> level josh said  
Hold on are you saying my sister is some sort of fighting Hiro for the 4<sup>th</sup> level at black vill high school?  
Rachel asked

Yeah what you heard of it? josh asked looking at little Rachel

Yeah my bro goes there he is in the 4<sup>th</sup> level and he can t bet one person Rachel said looking at rina/Rachel and with that rina/Rachel fell to the ground and all her memories started to come back.

## 7 - the new group

### CHAPTER SIX (THE NEW GROUP)

As the memories started to come back to rina/Rachel she remembered her job and her family but then it was too much to bear blood started to come out of her chest once more. It was slow at first and no one saw it but then after about five minutes it was fast and then every one could see it the blood was now all over the floor and on Josh's leg (oh yeah when Josh saw her fall he placed her on his knees)

Someone help! Josh yelled putting his hand over the hole and tried to make the blood slow down

What are you doing? Mum asked grabbing Rachel/rina and placing her on the couch which was yellow and you could see the blood

Why are you still here? Rachel asked pushing Josh and Luke out of the room (just so that you can tell I will put little Rachel's name in um \*Rachel\* that is how her name shall be)

What was that for? Josh asked

Well my mummy is going to take off Rachel's top so she can treat the hole and I don't want you to see my sister like that \*Rachel\* said slamming the door closed

Did she just say sister? Josh asked Luke

Yeah I think she really likes Rachel Luke said walking away from the door

Hey Luke where are you going? Josh asked

Look at this do you think this is her brother? Luke said picking up a picture and showing it to Josh

What? Josh yelled looking at the picture

What is it? Luke asked looking at Josh who was staring at the picture

This is James Josh said

Who is that? Luke asked taking the picture away from Josh

He goes to my school and he also wants to go out with Rachel and is the head of her fan club Josh said and was about to walk into the room when the door opened

Mum I'm home James said walking into the room

James \*Rachel\* yelled running out of the room

Rachel it is good to see you sis James said then Mum walked out covered in blood Mum what happened? James said not seeing Luke or Josh

Well it is a long story Mum said

Hey do we have guests? James asked looking at 4 more pairs of shoes that were at the front door

Yes they are in the living room Mum said and then they walked in James was shocked to see Josh and Rachel both in his house
