1 - Vain

Starring in the mirror 3/30/05
Fixing up your hair
Leaving the house without a care
Your friends await
You learn your fate
(Chorus
Death don't have no sympathy
Beauty purity don't mean a thing
When your in his clutches
A solemn song you will sing)
Starring in the mirror
Fixing up your hair
Keep your eyes of the road
Drive without a care
Crash and burn
(chorus)
Look what you've done
Killed yourself and every one
All because of you hair
Ruling vanity with out the care
No fear
(chorus)
