1 - Sleepless night

Kain sat on the roof and stared at the moon. He sighed. "The moon, it seems so near..but it's so far away. . ." He looked at his hands, they were covered in blood. He sighed again and wiped them on his black jeans. " I thought I'd find you here." Kain turned around "Zeke" the other boy smiled and sat next to him. "Why are you always up here, alone?" Kain shrugged. "I have people issues." Zeke laughed. "Then it's a good thing I'm not an actual person." he wrapped his arm around Kain. "Are you cold?" Kain shook his head. "Why did you come up here?" "Well, i was worried about you, after we hunt you always come up here." " I..I don't like killing innocent people." "None of us do. . ." he kissed Kain softly on the forehead. "We just do it to survive" "Maybe I don't want to live." Zeke frowned. "C'mon, don't say that" Zeke grabbed Kain's hand. "Let's go inside..it's warmer"
