When enemies come together

Sasuke had many enemies. Some just hated him because he was so popular. Others just wanted him dead. There were so many enemies that you could count on two hands&or three&but no one has three hands&unless it was some kind of jutsu&

*But anyway, Naruto and Sasuke had finally gotten closer. They were now& good friends
coughloverscough. Sakura didn t mind, she was glad that they didn t argue. But now that Sasuke was
gay Sakura was alone&until Ino came around. (A/N: Sorry but this is a yaoi/yuri so&ya)*

*But this story isn t about Sasuke, Naruto or Sakura and Ino. Its about how two different people could
come together.*

Gaara had been walking down a dirt path for sometime now. He had been thinking about fights in the past, how he tried and accomplished becoming softer. And how he now liked&the same gender. He wasn't as cold as he was but he was cold enough to hate Sasuke with a passion.

Two years ago Gaara had found out about being homosexual. (A/n: GAARA I LOVE YOU!) And he had fallen for Naruto. The two were together for 4 months until Sasuke used his charm and took Naruto away from Gaara. He never forgave him. The two had even become friends but now they were just farther than they were before.

Damn Sasuke Gaara thought as he walked down the road and out of Konoha. He then jumped into the closest tree so if any one came along he could still be alone. He sat in his tree and stated to think of ways to get back a Sasuke. But his mind began to wonder, but came back when a kunai flew into the tree and almost hit him. He fell out of the tree and onto his head.

Ah, shoot! he mumbled as he sat up rubbing his head. He looked over at the attacker only to see that he or she was covered by a hat. What the hell is your problem? Why don't you? The attacker pulled off the hat to show midnight black hair. It was tied into a long ponytail and he had red eyes. Sasuke? Gaara stood up and looked closer at the man.

Heh Sasuke, that's a name I haven't heard in a while. He walked over to the red head and looked into his green eyes. I'm his brother, Itachi. Gaara gasped. I've come to visit the little @\$\$ Gaara looked up at Itachi, their eyes met and something clicked. Itachi put his left hand under Gaara's chin. You hate Sasuke don't you? Itachi's red eyes stared into Gaara's green ones. He nodded slowly and opened his mouth a bit. Then why don't you help me. Gaara got out of the trance.

Sure. Gaara wickedly smiled but frowned 5 seconds later. But what's in it for me? Itachi's face became closer. I want something that he gulped as Itachi was now closer, &that I would..." Gaara stopped talking, for at that moment Itachi pressed his lips to Gaara's.

The two males closed their eyes and deepened the kiss. Why is he doing this? I thought that he

wanted to get Sasuke Gaara pulled away and moved back against a tree. Itachi walked up to him. Gaara put a hand out. Stop it&I mean you want to get Sasuke&and we just met&I don t get it

Itachi grabbed his hand and pulled Gaara into a hug wrapping his arms around his waist. You re cute Itachi smiled. Gaara quickly looked up only to get caught in the older mans lips. Do you live around here? Itachi slowly said as the two pulled apart. Gaara nodded. He then grabbed Itachi s hand and started pulling him, not really knowing what he was doing. That s good. We have to think of a plan&and I wanna see your room. Itachi smirked as Gaara turned a light pink.

O-okay He replied as they entered Konoha side by side. As they got to Gaara s house Gaara explained of how Kankuro and Temari were away and won't be back. Itachi shrugged and pulled Gaara inside. The red head smiled since he was now getting into it. He grabbed both of Itachi s hands and pulled him into a dark room. He then pushed him inside, Let s think of a plan& Gaara smirked as the door shut behind the two and was locked. But Sasuke was forgotten that night&

THE END!!! !_!
