Chapter 1 - heart of stone

2

1 - heart of stone

My heart of stone

If life is a mirror

The reflection is unclear

Riddled by my fears

Defaced by my tears

My life goes by

With countless lies

Love knows no boundaries

I can see it in your eyes

Hear it in your cries

Feel it when you die

My wounds will heal

If you'd save me still

Take me by the hand

Hold me in your warm embrace

Wipe tears from my face

Fill me with your grace

My soul is fading fast

Please make our love to last
