"Come back, come back"

I would say...

as the little shadow

walked away...

Late at night we would stay awake

to whisper to each other...

On how to get out of the dark memories

of our past..

"Don't fret my rose..

look to the stars,

smile to them,they will surely smile back...

follow them,they will lead us through the

darkness of our past.."

"Come back,come back"

I would say,as the little shadow

walked away...

As he walked away...

he thought about the only person

who could lead him out of his dark past...

He turned around and saw the one he loved..

the one he was walking away from...

"I have found the way out of our past"

his lover had said..as the little shadow walked back...

"Come back,come back"

I would say...

as the little shadow walked away...
