1 - The intrmercial

--- The Ryuu Archives ---

The intrmercial

Welcomes to the Ryuu Archives.

A few words before we start.

Nitwit! Blubber! Oddment! Tweak!

Now, a few more important and meaningful words.

Firstly, If you see the name of a character you've never heard of before, don't you worry. My convis with Tori often involve extreme HTF/H*R/FOP/SBSP/IZ/HP/SV crossovers.

And if you didn't understand that, I'll spell it out in full words.

Happy Tree Friends/Homestar Runner/Fairly Odd Parents/SpongeBob SquarePants/Invader Zim/Harry Potter/Smileville

Happy?

Now, secondly. I'll be updating the Archives as often as I can be bothered. Still happy?

Thirdly. If you see [name removed], that's for personal reasons. Don't ask.

And fourthly. If you see anything Ryuu-related that has been left out of the Archives, please tell me.

Thankyou. You can all go away now. Or read the Archives. Whatever floats your boat.

ME: Ooh, yesh, they would make great friends.

RYUU: -starts to draw something-

ME: NO, RYUU!!! NOT IN THAT WAY!!!

RYUU: I know no Japanese, except for kawaii... and some other stuff.

ME: Your name is Japanese.

TORI: AUSTRALIA IS SO COOL!

RYUU: SO ARE PRETZELS!!!

RYUU: Uhh... what were we talking about?

TORI: A blue fishy with no memory.

RYUU: You mean like a donkey?

TORI: God, you're perveted, Ryuu... but not as much as DB is.

RYUU: I'M NOT CONVERTED!!!

TORI: I said perveted.

RYUU: Exactly.

FLIPPY: -dazed- How do ducks mate?

RYUU: Ooh! Ooh! I have a video!!

GIR: [DB] wears a wig, you know.

RYUU: Not anymore, he doesn't. -burp-

RYUU: Clee-shay?

TORI: It means like, the common way stuff is, y"know?

RYUU: CLEAN SHAVE!!!

RYUU: Chewing-gum hair is over at the gift store flirting with Marzipan.

TORI: Chewing gum hair?

RYUU: Well, his hair tastes like chewing gum. But if you have previously drank a bottle of creamy soda, it tastes like licorice.

FLIPPY: Um... what"s so stimulating about covering someone"s mouth?

ME: We will never know.

RYUU: Unless...

RYUU: Lifty, your nose is upside-down.

LIFTY: No, you"re upside-down, stupid.

RYUU: No, really.

ME: WTF!?! IT IS!

LIFTY: HUH?

ME: Who are you?

SEAN: Sean. Tori"s friend. A red deer.

ME: I can see that.

RYUU: Not when your eyes are closed.

TORI: I can"t believe Sean did that... and DB tastes like failure.

RYUU: I know.

TORI: -killing Sean over and over- This could take a while.

RYUU: Can I help?

RYUU: That was a mime? I thought it was a turkey baster.

TORI: Uh, Ry? What's the remote for?

RYUU: Apparently it's one of those TV remotes that work on people.

BUBS: JUST YOU WAIT TILL THE NEXT FALL FLOAT PARADE, COACH Z!!!

RYUU: You mean Voldemort?

ME: Ryuu! What are you doing?

RYUU: I couldn't find the remote...

ZIM: WTF!? Why am I on some freaky HTF planet game show thing?

RYUU: Because the rabid fangirls wish it so. And because I'm being paid for it.
