## Puppy Love

### Chapter 1: A new body

Everything was prepared. Yami stood in the middle of the room in his spirit form. The seven millennium Items were placed around him in a circle. Today was the day. Finally he would be able to have a body of his own. He would now be able to really live again.

Are you sure you want to do this, Yami? he asked, concern evident in his voice.

Yes Yugi I'm sure don't worry Yami said reassuringly.

Finally I'm going to have my own body! Yami whispered to himself. Then he closed his eyes and started chanting the spell he memorized in Ancient Egyptian.

A bright light suddenly came from the items and engulfed Yami as Yugi shielded his eyes, praying nothing would go wrong.

Just as suddenly as the light had come, it disappeared, and the room filled with thick dark smoke. Yugi coughed and moved towards where Yami had stood before.

Hey Yami, are you okay?

His eyes widened as the smoke cleared to reveal his room, and Yami was missing.

Yami?

## Yami POV

Yami woke up and he groggily opened his eyes. He raised his head to find himself lying out on the street. /Yugi/Yami tried to contact his partner through their mind link, but Yugi didn't answer.

Yami sighed and got up *Now where am I, everything looks so huge*

The it hit him He had a body! His own body!

He raised his hand to see it, but was surprised at the sight that met his eyes. He had a body all right, but not the one he was expecting.

*Oh no something must have gone terribly wrong* Yami went to a nearby puddle too look at his reflection.

There stood a little black puppy (AN: He looks like a baby Labrador cute!!) with big crimson eyes.

Then a net caught him and he struggled to get free.

What in the name of Ra is going on here? Yami yelled but all that came out was loud barking noises.

Well what do we have here and look no collar, I guess its of to the pound with you the man said as he put Yami in the back of a truck.

*Oh no now what?*

So tell me what you think?

Chapter 2: The Pound and a new home

/YUGI WHERE ARE YOU?!/ Yami yelled through their mind link, But Yugi wouldn't answer.

*We must have gotten cut off*

Soon the truck stopped and a man opened the door, it was the same guy that caught him in the net and Yami growled, trying to bite the man's hand.

*Let go of me* Yami yelled but it only came out as barks.

"Feisty little thing, ain't ya?" the man replied as he caught Yami at the fur of his neck.

They went inside a building. *Where are we going, what is this place?*

The man took Yami to one of the cages and threw him in there. (The guy's really mean huh?)

This cage should do nicely till it's your turn in the room or someone comes and gets you the man replied.

*Ouch that hurt* Yami thought getting back up on his feet and then he realized he wasn't alone.

"What's a lil' thing like yaself doin' in this dump?" a voice came from the shadows and a big dog came forth. (AN: He looks like a Doberman)

Hey kid name s Butch so what ya doing here anyway, chewed on the couch or somethin the dog said laughing as he lied down.

No I m not suppose to be here, I m not even suppose to be a dog, I m human Yami said sitting down.

Butch burst out laughing, Hey Triksey ya should hear this, this pup thinks he s human, he said as he continued laughing.

Then another dog appeared she was a lot shorter than Butch and had a long coat of hair. Butch leave him alone he s scared and confused. Hi my name s Triksey don t mind the dufes over there he s just playing around

Nice to meet you my name s Yami, I have to get out of here and then suddenly a door slammed open and a huge man came in and took one of the dogs from its cage and started to walk to a door in the back of the room.

*What s going on?*

Looks like Rover s luck has finally run out Butch said looking at the man leading the dog and disappearing into the room.

This got Yami curios What s he gonna do?

Triksey looked sadly at him When a dog has been here for a long time and he has not been adopted or taken by his owners they&

They what? Yami asked

They put them to sleep Butch replied in a gruff tone.

But that s so cruel! How could they do that?! Yami replied shocked.

Life s cruel kid get used to it

Then suddenly a loud growl came from the cage opposite them and Yami saw a huge dog lying there. Who s that?

That s Reggie the most veil and despicable dog there is. Triksey said as she looked at him with disgust.

Well, well what do we have here a new snack, ok listen shrimp I rule this place so whatever I say goes

Butch looked at him and said Oh really and I thought you were all lump and no muscle

Reggie snarled at him You ll pay for that!

And then the door opened again and a girl stepped inside.

A man came down the steps with her This way to the cages miss anything particular you would like?

Yes I wanted to adopt a puppy. The girl replied

Well looks like someone s getting adopted today Butch said smiling.

All the dogs tried to look at their cutest and some of them reminded Yami of Yugi when he used his infamous puppy dog eyes.

Well I think I got the perfect one the man said as they walked to Yami s cage.

The man opened the cage and took Yami out. *Put me down your hands are cold!*

Good luck kid said Butch

Triksey looked up at him and said Take care

Thank you *Someone s adopting me but who, how will I get back to Yugi?* and then he saw who the girl was.

It was& Ta
