1 - Brocken Once And Now Saved

Broken Once... and Now Saved

There once was a little girl,

And she was lost and torn.

Whenever she tried to smile,

Only sadness was worn!

She tried so hard to explain her problems,

But people would just never listen!

And when she was shot down at

She thought that she would never get her chance to glisten...

But then one day when she thought all hope was lost

And no one cared for her at all.

And when a friend took her by the hand and promised that they DID care

She stood up and remands to always stand tall!
