Chapter 1 - Pantom	2
Chapter 2 - phantom	3

1 - Pantom

Phantom I am domed to chase my phantom forever could I catch my phantom and maker her mine or will I find that my phantom was a mirage caused by my lonely heart I can not see my phantom but all I hear is her sweet voice and her cellowet dancing in the golden moonlight

2 - phantom

Phantom my phantom has danced away as tears roll down my face
I watch from afar as she loves another
But this other worries me not out of jealousy but out of concern
I am most happy for her but with a heart stabbed so many times will she ever dance again
I can do nothing but hope that all goes well even though my truest wish is to be together
But I know that it can never happen for she knows me only as a spectator in her audience
But I long for here to be here and with out fear whisper 3 words to her gentle ear
